

## Places to Purchase your Law Textbooks

Since Trinity Law School does not sell books directly, you are welcome to purchase your textbooks at any retailer of your choice.

Our first recommendation is local: [Legal Books Distributing](#) in Anaheim, CA.

If they do not have what you need, try online booksellers such as [Barrister Books](#).

[Amazon](#) sells new and used books – you can activate a Student Prime Account using your new TIU email address.

Considering buying used? Try [24 Places to Buy Used Law Books](#)
